The Honorable Caspar W. Weinberger  
Secretary of Defense  
Washington, D.C. 20301-1155

Dear Cap:

Thank you so much for your invitation for me to attend a counterterrorist task force capabilities exercise at Fort Bragg, North Carolina, on September 25, 1987. Unfortunately, I have already accepted an invitation to appear before the Business-Government Relations Council nearby at Hilton Head, South Carolina, on the morning of the 26th. I am also moderating certain panel discussions for this group between the 24th and 27th of September.

I was fortunate enough while Director at the FBI to review the proficiency of the CTJTF on two occasions. I do hope that you will include me again in the future because I note that this elite group continues to alter and improve its capabilities each year. I know that the demonstration will be a positive one for those Congressional and Government representatives fortunate enough to be there, and I am sorry I can't be with them on this occasion.

Sincerely yours,

/s/ William H. Webster

Deputy Director for Operations

NOTE FOR: DCI

Although you have done it before, I believe it would be important for you to attend as Director of Central Intelligence, particularly since the invitation came personally from Secretary Weinberger. If you concur, I suggest that you, Bill Baker and I attend this activity on 25 September. I will make the arrangements for the three of us.
